

ELITE **PREP**

24 Extracurricular Profiles for a Successful Ivy League Application

www.eliteprep.com

What does it take to get into the Ivy League?

Beyond outstanding grades and test scores, students seeking admission to the Ivy League and other highly selective colleges and universities must demonstrate intellectual curiosity, community engagement, and leadership potential in the activities they do OUTSIDE of school.

Keep in mind:

Many of the extracurriculars showcased here are academic in nature, or have academic applications. That's because colleges are academic institutions. Your key extracurriculars should have academic appeal. Music, sports, and clubs are great for showcasing specific skills or interests but tend to have less academic impact.

The extracurriculars also have a "wow factor" because they are both quantitative AND qualitative.

Colleges and universities look for students who not only accomplished something meaningful during high school but also will continue to pursue similar activities in college and beyond.

TABLE OF CONTENTS

1. **Albert** *Future AI Engineer*
2. **Betty** *Future Astrophysicist*
3. **Chris** *Aspiring Biomedical Engineer*
4. **Doris** *Aspiring Civil Rights Lawyer*

22. **Xavier** *Aspiring Public Health Advocate*
23. **Yuri** *Aspiring Social Entrepreneur*
24. **Zane** *Aspiring Urban Planner*

1 // ALBERT

Future AI Engineer

- » **Founder of "Coding for All" Initiative**
Taught Python and AI basics to underprivileged youth.
- » **AI Research Assistant**
Worked on machine learning projects at a university lab.
- » **First Place at State Coding Olympiad**
Designed an AI-powered app to aid disaster relief efforts.
- » **Robotics Club Lead Programmer**
Developed algorithms for autonomous robot navigation.
- » **Participant in International Hackathon**
Collaborated with a global team to create an AI chatbot.
- » **Math Club Co-President**
Organized workshops on linear algebra and its applications in AI.
- » **Volunteer IT Support for Local Nonprofits**
Upgraded systems to improve efficiency.
- » **Creator of a Computer Science YouTube Channel**
Published tutorials on coding and AI ethics.
- » **AP Computer Science Tutor**
Provided one-on-one support for students struggling with programming.
- » **Organizer of School's Technology Fair**
Showcased innovative student projects in AI and robotics.

2 // BETTY

Aspiring Astrophysicist

- » **President of Astronomy Club**
Led stargazing events and secured a telescope for the school.
- » **Intern at NASA High School Program**
Conducted research on exoplanet detection.
- » **Presenter at Regional Science Fair**
Shared findings on black hole formation simulations.
- » **Member of the Math Team**
Specialized in calculus and applied mathematics.
- » **Volunteer for Local Planetarium**
Assisted with educational programming for visitors.
- » **Creator of Space Exploration Blog**
Wrote detailed articles on astrophysics discoveries.
- » **Captain of Science Bowl Team**
Focused on physics-related categories and led the team to nationals.
- » **Volunteer for STEM Outreach Program**
Conducted workshops for middle school students on space science.
- » **Attendee at Astrophysics Summer Camp**
Worked on a team project about galaxy formation.
- » **AP Physics Tutor**
Helped peers understand complex astrophysical phenomena.

3 // CHRIS

Future Biomedical Engineer

- » **President of Engineering Club**
Led projects, including building a prosthetic hand for a local resident in need.
- » **Research Assistant in Biomedical Lab**
Contributed to studies on tissue regeneration using 3D printing.
- » **Winner of International Science and Engineering Fair**
Presented a project on bioengineered solutions for organ failure.
- » **Co-founder of School's STEM Outreach Program**
Introduced engineering concepts to younger students through hands-on activities.
- » **Robotics Team Captain**
Designed a robot for national competitions.
- » **Participant in Biomedical Summer Internship**
Shadowed professionals and worked on medical device prototypes.
- » **Volunteer at Local Hospital**
Provided assistance to patients and observed clinical operations.
- » **Contributor to School STEM Magazine**
Wrote articles on biomedical advancements and ethics.
- » **Creator of YouTube Channel**
Produced educational videos about engineering applications in medicine.
- » **Varsity Track and Field Athlete**
Balanced academic rigor with commitment to sports and teamwork.

4 // DORIS

Aspiring Civil Rights Lawyer

- » **Captain of the Debate Team**
Specialized in constitutional law and civil rights topics.
- » **Founder of “Equal Justice Now” Club**
Organized discussions and fundraisers for legal aid organizations.
- » **Volunteer at Legal Aid Society**
Assisted with administrative tasks and client intake.
- » **Internship with a Local Judge**
Observed court proceedings and learned about the justice system.
- » **Member of the Mock Trial Team**
Won awards for persuasive argumentation and teamwork.
- » **Student Representative on the School Diversity Council**
Advocated for inclusive policies and events.
- » **Organizer of Voter Registration Drives**
Engaged the community in civic participation.
- » **Volunteer Tutor for Underserved Youth**
Provided free lessons in reading and writing.
- » **History Club President**
Hosted seminars on civil rights movements and historical justice.
- » **Editor of School Newspaper**
Focused on investigative journalism related to local community issues.

5 // ETHAN

Aspiring Climate Policy Expert

- » **President of Environmental Science Club**
Organized climate change workshops and lobbied for greener school policies.
- » **Volunteer for International Climate Advocacy Group**
Worked on campaigns to promote renewable energy.
- » **Presenter at Youth Climate Summit**
Shared a policy proposal for reducing urban air pollution.
- » **Member of Debate Team**
Focused on topics related to environmental ethics and policy.
- » **Internship with Local Government Sustainability Office**
Conducted research on energy efficiency programs.
- » **Community Tree-Planting Leader**
Coordinated efforts to plant over 300 trees in urban areas.
- » **Co-Author of Environmental Science Research Paper**
Published findings on carbon sequestration in high school journal.
- » **Organizer of Renewable Energy Fair**
Partnered with organizations to educate the community on sustainable living.
- » **Volunteer at State Park**
Assisted with habitat restoration and trail maintenance projects.
- » **AP Environmental Science Peer Mentor**
Helped students excel in advanced coursework.

6 // FELICIA

Future Data Scientist

- » **Founder of Data Analytics Club**
Led projects analyzing school energy use and proposed efficiency solutions.
- » **Research Intern at University Data Lab**
Worked on a project using machine learning to predict economic trends.
- » **First Place at National Statistics Competition**
Presented findings on local transportation patterns.
- » **Volunteer Data Analyst for Food Bank**
Developed a model to optimize distribution routes and reduce waste.
- » **Math Club President**
Organized weekly sessions on probability, statistics, and advanced calculus.
- » **Co-Developer of Educational App**
Created an app to teach middle schoolers basic statistics concepts.
- » **Participant in Advanced Analytics Summer Camp**
Built a predictive model for climate change effects on agriculture.
- » **Member of Science Olympiad Team**
Competed in events related to coding and data interpretation.
- » **Peer Tutor in AP Statistics**
Helped classmates excel in complex data analysis.
- » **Creator of YouTube Channel**
Published tutorials on Python for data science and statistical analysis.

7 // GREG

Future Diplomat

- » **President of Model UN**
Represented countries in international policy debates.
- » **Internship at State Department Program**
Gained experience in foreign relations.
- » **Winner of Oratory Contest**
Delivered speeches on global diplomacy challenges.
- » **Volunteer at Cultural Exchange Program**
Organized language and culture sharing events.
- » **Creator of International Affairs Blog**
Published articles on global conflicts and resolutions.
- » **Debate Team Member**
Focused on foreign policy and international law topics.
- » **Participant in Global Youth Leadership Summit**
Collaborated on solutions for international development.
- » **School Ambassador for Exchange Students**
Helped international students acclimate to school.
- » **History Club Vice President**
Organized discussions on international relations history.
- » **Volunteer Translator for Nonprofit**
Supported language access initiatives for immigrants.

8 // HUBERT

Future Economist

- » **Founder of “Econ for Teens” Program**
Hosted workshops on financial literacy for high schoolers.
- » **Economics Research Intern**
Analyzed the impact of minimum wage policies on local businesses.
- » **Debate Team Captain**
Specialized in economic policy debates and international trade.
- » **Participant in National Economics Challenge**
Placed as a finalist in macroeconomics.
- » **Model UN Chairperson**
Moderated committees focusing on global economic crises.
- » **Treasurer of Student Government**
Managed budgets for school events and programs.
- » **Volunteer at Food Bank**
Developed a data model to optimize food distribution routes.
- » **Creator of Economics Blog**
Published simplified explanations of complex economic theories.
- » **Organizer of Community Investment Workshop**
Helped families learn about savings and investments.
- » **Member of Chess Club**
Honed strategic thinking skills relevant to economics.

Future Entrepreneur

- » **Founder of “Young Innovators” Club**
Encouraged students to develop business ideas and held pitch competitions.
- » **CEO of Small Business Startup**
Created and managed a successful e-commerce store selling eco-friendly products.
- » **Intern at Local Venture Capital Firm**
Gained experience analyzing startup proposals and market trends.
- » **Volunteer for Financial Literacy Nonprofit**
Taught budgeting and managing credit to low-income families.
- » **First Place at National Business Plan Competition**
Designed a social enterprise on sustainable fashion.
- » **Vice President of DECA Chapter**
Led the team to a national conference in entrepreneurship.
- » **Member of Student Government**
Introduced financial workshops for classmates.
- » **Summer Program Participant in Business Innovation**
Created a mock company and presented to industry leaders.
- » **Volunteer Mentor for Young Entrepreneurs**
Coached middle school students in creating business ideas.
- » **Blogger on Business and Ethics**
Published articles on the importance of corporate social responsibility.

10 // JERRY

Future Environmental Scientist

- » **Environmental Club President**
Led initiatives to reduce school waste and organized tree-planting drives.
- » **Science Olympiad Team Captain**
Specialized in ecology events and led the team to state championships.
- » **Founder of "Green Tomorrow" Blog**
Published articles on climate change solutions and interviewed experts.
- » **Volunteer at Local Wildlife Refuge**
Assisted in animal care and habitat restoration.
- » **Internship with an Environmental Policy Think Tank**
Conducted research on renewable energy trends.
- » **Organizer of Community Cleanup Events**
Mobilized over 200 volunteers for litter removal campaigns.
- » **Participant in Advanced STEM Summer Camp**
Developed a solar-powered water filtration project.
- » **AP Environmental Science Tutor**
Helped peers grasp complex concepts in sustainability.
- » **Member of the School Debate Team**
Focused on topics related to environmental policy.
- » **Organizer of School's Earth Day Festival**
Coordinated educational booths and activities.

11 // KELLY

Future Human Rights Advocate

- » **President of Amnesty International Chapter**
Advocated for international human rights issues.
- » **Volunteer at Immigration Legal Aid Center**
Supported families navigating complex legal systems.
- » **Organizer of Schoolwide Diversity Week**
Coordinated cultural performances and discussions.
- » **Debate Team Member**
Focused on topics such as human trafficking and international law.
- » **Researcher for Nonprofit Organization**
Contributed to a report on gender-based violence.
- » **Peer Mediator**
Helped resolve conflicts and promoted inclusivity at school.
- » **Participant in Human Rights Summer Institute**
Studied international treaties and justice systems.
- » **Founder of Youth Advocacy Podcast**
Interviewed activists and experts on social justice issues.
- » **Volunteer English Tutor for Refugee Youth**
Provided language support and mentorship.
- » **Winner of Civic Engagement Award**
Recognized for impactful advocacy work.

12 // LESLIE

Future International Relations Expert

- » **President of Model United Nations Club**
Represented countries in conferences on global issues and mentored younger delegates.
- » **Volunteer for Refugee Resettlement Agency**
Assisted families in navigating cultural and language barriers.
- » **Internship with Local Congressman**
Focused on policy research related to international trade and diplomacy.
- » **Co-Founder of Cultural Awareness Club**
Hosted events to celebrate global traditions and promote diversity.
- » **Organizer of School's International Day**
Planned performances and educational booths showcasing over 20 cultures.
- » **Participant in Global Affairs Summer Institute**
Wrote and presented a paper on humanitarian aid reform.
- » **Debate Team Member**
Specialized in foreign policy and human rights topics.
- » **Volunteer Translator for Immigration Services**
Used her fluency in Spanish and French to assist clients.
- » **History Bowl Team Captain**
Led the team to the national finals with a focus on 20th-century diplomacy.
- » **Creator of Blog on Global Issues**
Published opinion pieces on international relations and policy challenges.

13 // MANUEL

Aspiring Journalist

- » **Editor-in-Chief of School Newspaper**
Expanded coverage to include social justice and environmental issues.
- » **Founder of Youth Journalism Club**
Helped peers create multimedia stories for online publication.
- » **Intern for Local News Station**
Covered stories on community challenges and achievements.
- » **Co-host of a Weekly Podcast**
Discussed topics ranging from youth mental health to current events.
- » **Volunteer with Literacy for All Program**
Taught creative writing to elementary school children.
- » **Winner of National High School Journalism Award**
Wrote an investigative piece on education inequity.
- » **Yearbook Committee Member**
Documented school events and designed creative layouts.
- » **Model UN Delegate**
Drafted position papers on global media freedom.
- » **Contributor to Online Magazine**
Published personal essays and op-eds on youth perspectives.
- » **Volunteer at Public Library**
Organized book clubs and literacy workshops for teens.

14 // NICOLE

Aspiring Marine Biologist

- » **Founder of Ocean Conservation Club**
Organized beach cleanups and raised funds for marine protection organizations.
- » **Intern at Local Aquarium**
Assisted with marine animal care and public education programs.
- » **Researcher for High School Science Project**
Investigated the impact of microplastics on aquatic ecosystems and presented findings at a state science fair.
- » **Volunteer at Marine Research Station**
Conducted water quality tests and helped with data collection.
- » **Member of Science Olympiad Team**
Specialized in aquatic biology and environmental events.
- » **Advanced Scuba Diver Certification Holder**
Gained hands-on experience observing marine life.
- » **Published Writer in Environmental Magazine**
Wrote an article about coral reef conservation.
- » **Participant in Oceanography Summer Program**
Studied marine ecosystems and worked on a group project.
- » **Mentor for Elementary STEM Camp**
Introduced younger students to marine science concepts.
- » **Captain of Varsity Swim Team**
Balanced athletic dedication with a passion for water-related studies.

15 // OSCAR

Aspiring Mathematician

- » **National Math Olympiad Finalist**
Achieved top scores in advanced problem-solving.
- » **Math Club President**
Organized school-wide math competitions and guest lectures.
- » **Creator of Math Problem-Solving App**
Designed an app to teach algebra and geometry concepts.
- » **Research Internship at University Math Lab**
Worked on combinatorics and graph theory projects.
- » **Tutor for Underprivileged Students**
Helped middle schoolers master basic math skills.
- » **Member of the Robotics Team**
Developed algorithms for competition tasks.
- » **Volunteer at Local Library**
Ran math workshops during summer break.
- » **Contributor to Math Magazine**
Published articles on abstract mathematics.
- » **Participant in Advanced Math Summer Program**
Explored topics in number theory and topology.
- » **Member of Chess Club**
Enhanced critical thinking and strategic planning skills.

16 // PHOEBE

Future Medical Researcher & Innovator

- » **Founder of “Future Doctors” Club**
Organized guest lectures and hands-on medical workshops.
- » **Volunteer EMT Trainee**
Provided first-aid support and learned emergency medical procedures.
- » **Participant in Biomedical Research Internship**
Worked on a gene-editing project at a prestigious lab.
- » **Volunteer at Children’s Hospital**
Assisted with play therapy and patient support.
- » **Robotics Team Member**
Helped design a robotic prosthetic arm for competition.
- » **Organizer of Blood Donation Drives**
Partnered with local health organizations to encourage donations.
- » **Presenter at State Science Fair**
Displayed a project on nanotechnology in medicine.
- » **Peer Health Educator**
Conducted workshops on nutrition and mental wellness for classmates.
- » **Varsity Swim Team Captain**
Demonstrated leadership and discipline in athletics.
- » **Pianist in Jazz Band**
Balanced artistic interests with scientific pursuits, showcasing versatility.

17 // STEVE

Future Mental Health Advocate

- » **Founder of "Mind Matters" Club**
Focused on reducing the stigma around mental health and promoting wellness resources.
- » **Research Assistant in Neuroscience Lab**
Studied the effects of stress on memory retention and presented findings at a regional conference.
- » **Peer Counselor at School**
Provided emotional support and academic guidance to classmates.
- » **Organizer of Mental Health Awareness Campaign**
Distributed informational resources and partnered with local therapists for talks.
- » **Volunteer at Memory Care Facility**
Assisted residents with Alzheimer's in cognitive exercises.
- » **National Honor Society Vice President**
Led service projects related to mental health advocacy.
- » **Presenter at State Science Fair**
Created a project on the neurobiological effects of sleep deprivation.
- » **Member of Varsity Swim Team**
Promoted physical fitness as a pillar of mental well-being.
- » **AP Psychology Peer Tutor**
Helped students grasp complex concepts in neuroscience and behavior.
- » **Co-Author of Mental Health Blog**
Shared stories and strategies for overcoming anxiety and stress.

18 // TRICIA

Future Neuroscientist

» **Research Assistant at University Lab**

Worked on a study about neural pathways and presented findings at a regional science fair.

» **Founder of "Brain Awareness" Club**

Educated peers about neuroscience and mental health through workshops.

» **Volunteer at a Memory Care Facility**

Organized engaging activities for patients with dementia.

» **First Chair Violinist in the School Orchestra**

Demonstrated discipline and teamwork in musical performances.

» **Science Bowl Team Member**

Excelled in biology and neuroscience-related questions.

» **Co-Organizer of Mental Health Awareness Week**

Partnered with counselors to create informative programs.

» **Summer Internship with a Neurology Clinic**

Shadowed doctors and observed patient care.

» **Creator of "NeuroNerds" YouTube Channel**

Simplified complex neuroscience concepts for high school students.

» **Math Team Member**

Developed analytical skills to support neuroscience studies.

» **Student Government President**

Advocated for mental health resources and academic wellness programs.

Future Performing Arts Director

- » **Drama Club President**
Directed and starred in school productions, fostering collaboration and creativity.
- » **Founder of Community Theater Program**
Provided free performances and workshops to underserved neighborhoods.
- » **National Thespian Society Member**
Participated in state and national theater festivals.
- » **Dance Team Co-Captain**
Choreographed routines and led practices for regional competitions.
- » **Intern at Local Performing Arts Center**
Assisted with event coordination and set design.
- » **Volunteer Music Teacher for Children**
Taught basic acting and singing skills to kids in the community.
- » **Award Winner at Regional Drama Competition**
Recognized for excellence in monologue performance.
- » **Pianist in School Jazz Band**
Brought a musical perspective to theatrical productions.
- » **Organizer of School Talent Show**
Created a platform for students to showcase their artistic talents.
- » **Creator of "Arts for All" Blog**
Advocated for accessibility in arts education through personal stories and tips.

20 // VICTOR

Aspiring Physician

- » **Founder of Health for Hope Club**
Organized fundraisers for global health nonprofits and promoted awareness of medical equity.
- » **Volunteer at Local Children's Hospital**
Assisted staff in play therapy sessions to support young patients.
- » **Shadowed Doctors in International Medical Program**
Observed surgeries and participated in health clinics abroad.
- » **Research Assistant in Public Health Study**
Examined the impact of nutrition programs in underserved areas.
- » **Organizer of School Blood Drives**
Partnered with the Red Cross to collect donations.
- » **AP Biology Peer Mentor**
Helped students master foundational concepts in biology.
- » **Participant in Pre-Med Summer Program**
Conducted a study on patient care ethics and wrote a case study report.
- » **Member of the Varsity Cross Country Team**
Demonstrated perseverance and teamwork through athletics.
- » **Volunteer for Global Health Nonprofit**
Managed logistics for delivering medical supplies to developing countries.
- » **Co-Author of Health Blog**
Published articles on mental health advocacy and disease prevention.

21 // WENDY

Aspiring Political Scientist

- » **Founder of Civic Engagement Club**
Organized voter registration drives and civic workshops at the high school and local level.
- » **Editor-in-Chief of School Newspaper**
Focused on investigative pieces about local governance and policy.
- » **Volunteer for Local Political Campaign**
Helped with canvassing, social media, and community outreach.
- » **Winner of National Speech and Debate Tournament**
Presented arguments on constitutional law and government reform.
- » **Internship with Nonpartisan Policy Research Organization**
Analyzed the effects of urban development policies.
- » **Member of Student Government**
Advocated for policies to improve mental health resources and academic equity.
- » **Participant in Youth Legislative Assembly**
Drafted and defended a mock bill on education reform.
- » **History Club Secretary**
Organized discussions on political history and reform movements.
- » **Volunteer Tutor for ESL Students**
Helped immigrant students navigate schoolwork and acclimate to new systems.
- » **Organizer of Political Awareness Week**
Invited local politicians and activists to speak to students.

Future Public Health Advocate

- » **Founder of “Healthy Futures” Club**
Promoted awareness of public health issues through workshops and events.
- » **Volunteer at Local Free Clinic**
Assisted patients with paperwork and provided emotional support.
- » **Creator of School’s Nutrition Initiative**
Partnered with the cafeteria to include healthier food options.
- » **Research Assistant at University Lab**
Focused on the spread of infectious diseases.
- » **Participant in International Public Health Competition**
Presented a solution to improve sanitation in rural areas.
- » **Varsity Cross Country Team Member**
Advocated for fitness and mental well-being.
- » **Organizer of Annual Health Fair**
Brought in speakers to discuss topics like vaccination and mental health.
- » **Peer Educator on Substance Abuse Prevention**
Led schoolwide campaigns on the dangers of vaping.
- » **Published Author in Public Health Journal (Youth Section)**
Wrote about health disparities in urban communities.
- » **Volunteer for Red Cross Blood Drives**
Managed logistics and recruited donors.

Aspiring Social Entrepreneur

- » **Founder of “Youth Changemakers” Organization**
Mentored students in leadership and social impact projects.
- » **Head of Fundraising for Local Food Bank**
Raised \$15,000 through creative campaigns.
- » **Model UN Delegate**
Represented countries on issues of global inequality and women’s rights.
- » **Volunteer at Refugee Resettlement Agency**
Helped families adapt to new environments.
- » **Business Club President**
Launched a student-run café to raise funds for school initiatives.
- » **Internship with a Nonprofit Startup**
Contributed to marketing strategies to increase community outreach.
- » **Speaker at Regional Leadership Conferences**
Presented on the role of youth in social innovation.
- » **Participant in Social Entrepreneurship Bootcamp**
Designed a business plan for a sustainable product.
- » **Organizer of Charity Fashion Show**
Combined creativity and philanthropy to support underserved communities.
- » **Creative Writing Club Member**
Published essays on the importance of empathy in leadership.

24 // ZANE

Aspiring Urban Planner

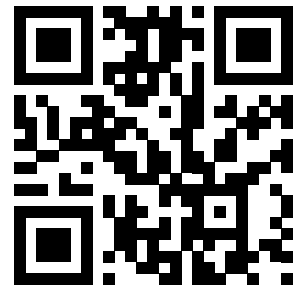

- » **Founder of “Design for Tomorrow” Club**
Organized urban sustainability projects, including designing a community park.
- » **Internship with City Planning Office**
Shadowed urban planners and contributed to public infrastructure reports.
- » **Volunteer for Habitat for Humanity**
Assisted in building affordable housing in underserved neighborhoods.
- » **Organizer of Town Hall Meetings on Transportation Reform**
Engaged local leaders and residents.
- » **Captain of the Robotics Team**
Developed prototypes for eco-friendly urban transport.
- » **Presenter at National Architecture Conference (High School Division)**
Discussed the impact of green buildings on cities.
- » **Volunteer Math Tutor**
Helped younger students understand geometry concepts tied to architecture.
- » **Member of the National Art Honor Society**
Created urban landscape sketches for school displays.
- » **History Fair Winner**
Presented a project on the evolution of public housing policies in the U.S.
- » **Participant in Summer Urban Studies Program**
Researched equitable housing strategies and presented findings to city officials.

Preparation for College.
Learning for Life. Since 1987.

- » **SAT + ACT Prep**
- » **For-Credit AP + College Courses**
- » **Small Group + Individual Tutoring**
- » **College Planning + Application Services**
